John

1. In support of current [redacted] operations, I would like to request that Production Group/USSR Division/Nationalities Branch be tasked to prepare a special report on "Patterns of Dissidence Within Soviet Muslim Society". It is my understanding that [redacted] has made a particular study of this subject.

I would be most appreciative if this study could be completed by 15 May 1982, if your schedule allows.

2. Members of my staff have informally explored this matter with [redacted] and he has indicated his willingness to undertake the research project, subject to your approval. [redacted] has also indicated to them that his participation in this subject would not prevent him from fulfilling his current responsibilities at FBIS.
